- Angle Flange Standard.
- Flat Flange: Specify hole pattern.
- If no drawing provided, flat flange will be blank.
- Specify angle or flat flange.

**ORDERING NOTES:**

Unless specified, 3" through 24" is QF, over 24" is flanged. Data is subject to change without notice. Stainless steel components requiring flanges will be supplied with SS flanges unless otherwise specified. Stainless steel components are manufactured with NO.304 SS. [Prices for SS 316 = SS 304 X 1.25] Adding a SS after standard part numbers specifies a SS part. For special parts or items to be custom manufactured call for quotation.
